# Project summaries

A template for a project summary can be found under [Project Description templates](#)

## Current projects

[Developing A fluorescent library for pharyngeal calcium imaging and optogenetics](#)

[Tracking pumping in a foraging assay](#)

[Developing A Toolbox for studying pharyngeal neurons](#)

[Smell as a primer for food intake in C. elegans through pre-emptive pumping](#)

## 'Little' projects

Projects for rotation students, short term interns, Bachelor or Masters theses.

[C. elegans foraging in response to substrate stiffness](#)

[Modelling the pharyngeal network of C. elegans](#)

## Completed projects

## Grant-inspiration
